

SERVICE REQUEST

**Take advantage of the
Pfeiffer Vacuum Service.**

Whether you are looking for preventive on-site service or repair at a service center near you, there are several options available to you to maintain your equipment availability.

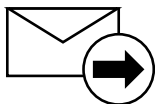

**For quick and smooth handling of the service process,
we would like to recommend the following steps:**

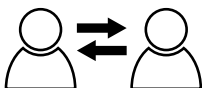

1. Download the current form templates

2. Please fill out the Service Request and the Declaration of Contamination

3. Send the forms per email, fax or mail to your local Service Center

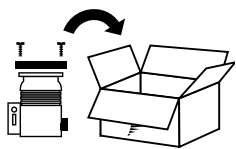

4. You will receive a response from Pfeiffer Vacuum

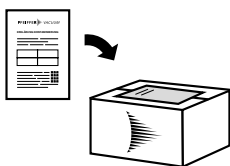

SERVICE REQUEST

Take advantage of the
Pfeiffer Vacuum Service.

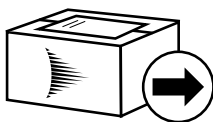

If you would like to return a product,
please make sure to also observe the following steps:

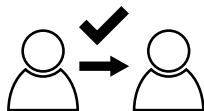

5. Prepare the product for transport in accordance with the provisions of the Declaration of Contamination

6. Attach the Declaration of Contamination on the outside of the shipping box

7. Now you can send your product to your Service Center

8. You will receive a response from Pfeiffer Vacuum
